i n c o r p o r a t e d

*Maximize your investment
in Oracle Technology*

Our Core Values

- Quality
- Honesty
- Client Focus
- Team Work
- Balance of Work/Life

Company Overview

Tactics Group is an Oracle professional service provider uniquely qualified to facilitate your next Oracle project. We take pride in partnering with our clients and earning the trusted advisor role.

Tactics Group was founded by a group of seasoned Oracle EBusiness Suite practitioners who understand our clients' issues very well because of our industry knowledge and years of experience.

Our mission is to draw upon the expertise of our entire Tactics team to provide the best and most cost effective Oracle-centric solutions to our clients. We assure our clients' investment in Oracle technology is maximized.
